**- A West Texas Welcome-**

The conference will start on Monday, October 24 with a fun day. There will be a scramble at Midland Country Club, host superintendent is Fore Brown. Please give him special thanks when you see him!

Be ready to eat some great BBQ that Patrick "Fuzz" Herridge with Winfield Solutions will be cooking this year. It will be held at the Fun Dome in Odessa. The 2011 board of directors as well as the Western Texas College GLT students will serve.

The annual meeting and election of 2012 officers and directors will be held Tuesday during the conference.

The trade show and silent auction will be at The MCM Grande Fun Dome and will be open Monday before the barbecue and from the morning break to the close of the afternoon break on Tuesday. This is a great time for attendees to inspect the goods and services offered by the commercial members and to talk on a one on one basis with the exhibitors. The silent auction will close during the afternoon break on Tuesday and winners will be announced at that time.

The educational sessions will begin on Tuesday, October 25, at The Fun Dome. Licensed pesticide applicators will earn 5.0 continuing education units (CEU's) with the Texas Department of Agriculture and the Structural Pest Control Service. The New Mexico applicators will earn 4.0 CEU's with the New Mexico Department of Agriculture.

This year's program for licensed irrigators will be on Wednesday, October 26. Licensed irrigators will earn 8.0 CEU's toward their license renewal.

Class A superintendents will receive 1.0 educational point through GCSAA for attending both days of the conference.

Membership in the West Texas Golf Course Superintendents Association offers something for everyone. Each year, four educational meetings are held at various locations throughout the West Texas area. The WTGCSA hosts an annual educational conference with the registration form providing an opportunity to join or renew membership in the association.

Again, WELCOME!!

**Hotel Accommodations  
25th Annual West Texas  
Turfgrass & Irrigation & Conference & Tradeshow  
October 24-26, 2011  
MCM Grande Fun Dome
